Address:C/O Shaws Department store
Market Square
Roscrea

Eircode:E53DH51

County:Co. Tipperary

Your Submissions:

1) Shaws are concerned that the pedestrianisation might have adverse, unintended consequences for accessibility. Particularly we are concerned that the reduced vehicular mobility will have an adverse affect on our businesses due to reduced access for both Customers and deliveries including the elderly, disabled and young families,

2) Shaws are concerned that the plans would reduce the availability of parking spaces in close proximity to our store and have adverse implications for other local businesses and the health of the town centre.
