**Submission Text:** Dear Planning Section,

I wish to put in a submission in relation to the draft Clonmel Local Area Plan 2024-2030. I am concerned that the draft LAP does not align with the County Development Plan with regard to the social need for one off housing in Clonmel and it's environs.

I feel that there should be a relaxation of HSG.10 rule and that the LAP should be consistent with the County Development Plan. I feel people should be allowed to build near their family landholding and settle in their own community. This would in turn have a positive effect on both the local communities and families who's members may have additional needs and may require additional assistance.

I hope you consider my submission.

Kind regards,  
Sharon
