Submission to Draft Clonmel & Environs LAP
2024 - 2030

To Whom It May Concern,

We wish to highlight our concerns around the policy for one off housing in Clonmel and it's Environs.

I am calling for the Clonmel & Environs LAP2024 - 2030 to align with the County Development Plan and for one off housing in Clonmel and it's Environs to include a social need.

I feel that descendants should be allowed build in the area they are from.

We are concerned that the current draft plan would not facilitate our neighbour

People are the lifeblood of every community and parish and the local authorities should facilitate their wish to live in their own communities.

We hope our neighbours will be successful in their application.

Kind regards,

TIPPERARY CO. COUNCIL
