Re: Submission on the Draft Clonmel Local Area Plan 2024 - 2030- Sustainable Communities 5.0

I wish to make a submission regarding the Sustainable Communities Section 5.0 sub section Open Space and Amenities 5.3 of the Draft Clonmel Local Area Plan. I would ask that as part of this plan that we would identify potential sites within the Clonmel area for local sports clubs who wish to either expand their entire club and relocate to a bigger site or alternatively to identify potential available sites for other clubs who may want to stay where they are but who would be interested in benefiting from additional pitches or grounds for their members.

Yours sincerely
