Submission Text: I would like to see the Blue Way developed more from Cahir to Clonmel via the villages of Ardfinnan and Newcastle areas.
Finish the tourist projects that have been on the books of the town council for more than 1 year.
Grass cutting to areas such as the River Bank at Raheen Road, The Glass Bridge, and along the Blue Way as these do look.
Designated areas for pollination in the town of Clonmel as we have many open spaces for this to happen
Bigger focus on water sports for the River Suir and fishing as we have some of the best spots in the country for these and this has been mentioned many times in many areas of Europe and Ireland
Creation of an Inclusion Hub for everyone led by the council that many different groups can use. [REDACTED]
[REDACTED]
Improve bus services between the outskirts of Clonmel in areas such as Powerstown, Lisronagh, Marlfield, Clerihan Kilcash and Kilsheelan.
