Submission Text: I would like to put in a submission in relation to the draft Clonmel and Environs Local Area Plan 2024-2030.

The rural housing policy in the draft plan does not align with the current County Development Plan.

One off housing in the town and Environs should have a social housing need.

I am concerned that the current draft plan would not facilitate me in getting to planning permission near my family home on my family land.

I recently moved back to Clonmel from Limerick with intention of building on my family land.

I have a genuine housing need.

Direct descendants of people who farmed the land should be allowed to build on their family land.
