Submission Text: to whom it may concern.
i wish to highlight my concerns around the policy of one off housing in clonmel and its environs.i am calling for the clonmel and environs lap 2024-2030 to align with the county development plan.in the county development plan it states that one off housing should be permitted on a social need.if we do not align with the county development plan the entire hinterland of clonmel will basically stagnate and with no building our young people will have to live elsewhere., john keating, [REDACTED]
