

28/08/23

I am making a submission to Tipperary County Council re: Draft Nenagh Local Area Plan

I am very interested in the proposal to close the archway linking Kenyon Street and Abbey Street, and to make this a pedestrian walkway through the archway.

Presently it is "nearly" impossible to, safely, exit and enter one garage on Abbey Street (Lane), and pedestrian safety is not guaranteed, due to cars using the "said" street, at speed, as a short cut.

There is an accident waiting to happen on Abbey Street (Kenyon Street end).

Yours Sincerely,  
Siobhán Cuddy
