I refer to the Proposed Material Alterations to the Draft Clonmel and Environs Local Area Plan 2024-2030.

The Proposed Material Alterations address the existing and projected accommodation needs of the Traveller Community in Clonmel. In particular, reference is made to the [REDACTED] where it has been identified that 3 additional units are required. See Proposed Amendment No. 11 on page 9 of the Proposed Material Alterations Report.

I note that this proposal is also referred to in the Proposed Amendments to Appendix 7 of the Draft Local Area Plan: Strategic Flood Risk Assessment: see page 90 of the Proposed Material Alterations Report.

Residents in the neighbourhood of [REDACTED] have made representations to me in relation to [REDACTED].

Having considered these representations, I consider that they are reasonable and I am making this submission on behalf of the residents of the neighbourhood of [REDACTED].

Yours sincerely,
