Our Association approves the content and aims of the Local Area Plan 2025-2031 in the main.

However, more emphasis should be put on the proposed attraction of Foreign Direct Investment

to the town.Regretfully,the Industrial Development Agency has advised that the town will not be

considered for future F.D.I.for the town. This is a pity considering the benefit this investment would bring to the town and hinterland. Indeed, the town is well catered for infrastructurally and would welcome new people to the town. It`s location on the tidal river near the cities of Waterford and Kilkenny,make it a suitable location to work and live.

Chairman,
Carrick on Suir Development Association.
