Tipperary County Council invite you to participate in this second Public Consultation on the proposed Cahir to Cashel Greenway. The Greenway is intended to create a sustainable transport link between the towns of Cahir and Cashel.

The proposed Greenway has the potential to increase safety and accessibility to points of interest for locals, tourists and vulnerable groups. The aim will be to enhance the visitor experience and contribute to the economic development of the local communities and the wider region.

The proposed Cahir to Cashel Greenway Project also has the potential to connect to the Clonmel to Carrick-on-Suir Blueway via a planned future greenway linking Cahir to Clonmel.

Feedback and information received at this second public consultation will inform the development of the Preferred Option for the Greenway.

**We would like to hear your views by the 25th March 2026.**
