Details of Submission Request

To Whom it concerns,

We are the landowners of this parcel of ground that has been zoned residential by Tipperary County Council. This land is located at Gortataggart, Brittas Road, Thurles. We wish to have these lands rezoned or excluded from zoning. This land is being actively farmed as a family farm and is involved in no other economic activity.

As far as we are aware this farm was not zoned residential when we purchased it in 2018. We have no interest in developing this land for any other purpose than agriculture, and never have.
